Catalina: thats totally not you
me: sure it is
me: ask me anything
Catalina: when are you coming to ny?
Catalina: not that that will prove its you
Catalina: just vurious
Catalina: curoius
me: not sure yet
me: the book is due in like three weeks
Catalina: i hope you come while im unemployed
Catalina: my last day of work is tomorrow
me: I'm not restrained from traveling or anything like that, so I could theoretically come up there in a few weeks
me: oic
Catalina: well hurry up. before i turn into a hermit again
me: you better not turn into a hermit when I come up next
me: I'm probably going to be indicted at some point
Catalina: really?
Catalina: why?
Catalina: oh, i got that video you sent
Catalina: thanks
me: they really want me out of the picture, they raided my apartment, they raided my mom's house, the text of the search warrant implies that I'm going to be charged with conspiracy, etc
me: I pissed off a lot of powerful people within the intelligence and defense sector
me: I haven't told you much about what I've been doing and all that, but it's very close to Wikileaks and it's been going on for a year
me: I wouldn't have had to actually commit a crime for them to indict me
me: same thing happened to my dad, though he was never convicted
Catalina: do you know when this will happen?
me: no, it can take a long time, and will depend on a number of factors. They'll want to have a good case because if they blow it, I come out stronger

Catalina: theyll blow it
Catalina: youre smarter
Catalina: now tell me your plan!
Catalina: just kidding
Catalina: dont do that
me: one sec, on phone
Catalina: ok i have to go. hope youre ok
